MILOS COLLECTION

MILOS

Bianco candido e rilievi figurativi evocano la fragranza di certe essenze floreali e la piacevolezza dell'estate. La cover è bordata da fasce di sostegno in 3D spacer bianco ad alta traspirabilità, prettamente legato al concetto di benessere questo materasso è realizzato con tessuto sottoposto ad uno speciale trattamento che aiuta il riposo durante il sonno grazie alla sua caratteristica antistress (trattamento Stressfree®).

Pure white and figurative reliefs evoke the fragrance of certain flower essences and summer enjoyment. The cover is lined with support bands in 3D spacer white high breathability, strictly tied to the concept of well-being this mattress is made with fabric that undergoes a special treatment that helps to rest well during sleep due to its anti-stress characteristic (Stressfree treatment®).

Des reliefs d'un blanc très pur qui évoquent la douceur des fleurs d'été, les essences de parfum et les plaisir d'été. La housse est habillée de bandes de soutien 3D spacer favorisant l'aération. Votre bien-être est assuré par un traitement spécial du tissu qui optimise la récupération de la fatigue par son effet anti-stress. (Traitement Stressfree®).
